- Frameworks/Libraries: Node.js, Express.js, React, Handlebars.js, GraphQL
- Databases: MySQL, MongoDB, Sequelize, Mongoose
- Tools & Platforms: Git, Heroku, Render, JWT, Express-session
- Other: RESTful API Development, MVC Paradigm, Responsive Web Design

## PROJECTS

### **FureverFriends Pet Adoption Network** | [FureverFriends](#) | [Repository](#)

- Developed a full-stack pet adoption platform, focusing on a user-friendly experience for pet adoption and rehoming.
- Implemented RESTful API, intuitive UI, and robust authentication using express-session and cookies.
- Ensured the security of API keys and sensitive data with environment variables.
- Tools (Node.js, Express.js, Handlebars.js, MySQL, Sequelize, Heroku)

### **Spoons – A Culinary Community Platform** | [Spoons](#) | [Repository](#)

- Engineered a single-page application to foster a community where users share and explore unique recipes.
- Integrated user authentication using JWT and GraphQL for efficient data retrieval and manipulation.
- Deployed the platform on Render, ensuring a polished, responsive, and interactive user interface.
- Tools ((MERN Stack: MongoDB, Express.js, React, Node.js, GraphQL)

## EXPERIENCE

### Real Estate Agent

**2020-2023**

### Real Broker

**Eugene, OR**

Served customers from all areas of the world in a high-paced, high-energy family dining restaurant.

- Orchestrated targeted marketing strategies, significantly boosting property sales, and outpacing local market trends.
- Enhanced property visibility and attracted qualified buyers through a robust online presence, utilizing social media and digital platforms effectively.
- Utilized in-depth market research to price properties accurately, leading to swift sales cycles and high client satisfaction.

### Market Attendant

**2019-2020**

### Fifth Street Public Market

**Eugene, OR**

Developed a user-friendly webpage to bring attention to company needs, events, and services.

Key Accomplishments:

- Maintained high standards of cleanliness across various market areas, ensuring a welcoming environment for customers and staff.
- Operated and maintained cleaning equipment and tools, efficiently managing resources to reduce costs and improve cleanliness.
- Collaborated effectively with the market team to coordinate cleaning schedules around peak business hours, minimizing disruption to operations.
